

## \$425,000 Asked In Damage Suit From Car Wreck

### Cross Returns to Home, Smiths Remain In Reno Hospital

Damages totaling \$425,000 are asked in a suit filed in the Nevada County Superior Court by Charles B. Cross, manager of the Truckee Tahoe Lumber Company, and Mr. and Mrs. Harry Smith of Truckee, critically injured in a truck-car collision in West Truckee January 19.

Defendants are the Silvey Livestock Transportation Company and the truck driver, Manuel Joseph Abreu.

Cross charges in the complaint that he suffered permanent injuries to his face and jaw and asks \$75,000. Mrs. Smith suffered a broken hand, two compound fractures of one leg and a broken ankle and seeks \$175,000. Her husband asks \$175,000 for fractures of both arms, broken ribs and a fractured skull.

The suit charges that Abreu was negligent. At the time of the accident he told state patrolmen that the truck skidded on the pavement. He was cited for driving without due caution and being on the wrong side of the highway.

Cross has returned home from a Reno hospital but Mr. and Mrs. Smith are still patients there.

### DIAMOND EAGLE IS NEW AWARD AT SUGAR BOWL

SUGAR BOWL—The snowfall last weekend forced the race committee of the Sugar Bowl Ski Club to postpone the Standard Eagle Races scheduled as a portion of the Sugar Bowl Ski Club team trials last Sunday.

Weather and snow conditions permitting, the weekly Standard Eagle test will be held at Sugar Bowl on February 12. It is open to anyone interested in trying. This year, through the generosity of Hanes Schroll, a founder of Sugar Bowl, an additional Eagle has been made available for top skiers. The new one is the Diamond Eagle.

In order for a racer to acquire this Eagle, he must cover the usual course for the Standard Eagle Race in one minute or less. To qualify the difficulty of plummeting down Mt. Disney in a time of one minute or less, it must be remembered that there has been no reported time on the Eagle course of less than 1:08. Consequently, the skier who wins a Diamond Eagle will be one of the highest caliber.

### Billy Thornton Marks Birthday in Hospital

Billy Thornton, son of Mr. and Mrs. Mel Thornton, observed his sixth birthday anniversary on Friday, February 3, in the Shrine Hospital. Billy is making progress and may be home with his parents within the month.

### Special Chamber Meet Is Scheduled Tonight

All business people and others interested have been asked to attend a special meeting of the Truckee Chamber of Commerce to be held at 7:30 this evening in Capitol Hall.

### Reno and Truckee 20-30 Hold First Joint Meet

RENO—Holding the first joint meeting of 1950, the Reno 20-30 Club last Thursday night played host to members of the Truckee 20-30 at the Club 116.

Presiding at the meeting was President Bob Bowers of Reno, assisted by Bob Leamon, president of the Truckee Club.

Jake Lawlor, basketball coach of the University of Nevada, was the guest speaker.

### Pam Rose Celebrates 4th Birthday Tuesday

Pamela Rose, daughter of Mr. and Mrs. David Rose, who was four years old on Tuesday, February 7, was feted at a party given by her mother.

Favors indicative of St. Valentine's Day were given the small guests and a heart-shaped cake in pink was cut during the refreshment hour. Games were played and presents were opened by Pamela.

Those present included Mrs. L. Verner and daughters Mary and Barbara, Mrs. R. G. Leamon and children Barry and Marcia, Mrs. Frank Giovannoni and daughters Linda and Judy, Brian Phipps and Dorette Rose.

### Local Team Aids March Of Dimes In Winning Game

#### Hoopsters Avenue Two Of Three Defeats For Season

The American Legion's Truckee basketball team played their best game of the season last night for the benefit of the March of Dimes, overcoming a lead of 21 points to defeat McCaughey Motors, Reno AA leaguers, 55 to 53. The winning bucket, Curran to Wakefield, with 25 seconds left to play. Wakefield scored 17 points for Truckee and Reno's Brown made 13. Spectators contributed \$23 to the infantile paralysis fund.

In their other two games this week the locals downed two of the three teams that have beaten them this season. Saturday night they drubbed the over-confident Colfax Fireballs on their home court 53 to 37. Flynn was Truckee's high pointer with 14 while Wakefield and Foster made 11 each. Brookbank was top man for Colfax with 17. Monday night Truckee's squad returned home to drub the Reno Co-Ops 67 to 48. Wakefield led his team with 22 tallies while Flynn and Foster each got 13. Manson of the Co-Ops sank 16.

Tomorrow night, the town team will tangle with the red-hot Tahoe Truckee High School varsity and Monday night plays the South Virginia Bar of Reno. Next Wednesday they travel to Lovelock to again play for a March of Dimes benefit.

### HIGH HOOPSTERS WIN TWO GAMES OVER WEEKEND

On Friday, February 6, the Tahoe Truckee High School played the Serve Yourself Gas team of Reno and won by the narrow margin of 40 to 39. The score was 19 to 17 at the half in favor of the visiting squad. The game was fast all the way through. High score man on the high school team was Andy Garcia and the follow up man was Dick Loynd. High scorers for the other team were Gene and Gil Reyna.

On Saturday, the high school played the Air National Guard of Reno. The score at half time was 9 to 10 in favor of the Guardsmen. The game was a fast and furious one throughout. In the final quarter the high schoolers came from behind a 19 to 32 short end to win 34 to 32.

On the same night the high school Bee team played the Teenagers from Sparks and beat them 20 to 18 with Bobby Tonini sinking the winning basket.

This Friday night the high school varsity will play an exhibition with the town team. On Wednesday, February 15, the varsity will go to Lovelock for a March of Dimes benefit game.

### High School Students Are Guests of Rotary

Paul Jensen of Reno spoke before the Rotary Club Monday night, with 16 students of the local high school and the wives of the Rotarians as guests. His topic was "Youth Looks at the United Nations."

High school students present were Mike Brown, Bob Dockham, Eleanor Dominguez, Andy Garcia, John Hartwick, Vern Hocker, Lois Horsley, Norman King, Jim Morhain, Dick Loynd, Mike O'Rourke, Steve Port, Laverna Record, Bill Stelzriede, Dale Stricklin and Gertrude Waters.

Visiting Rotarians were Jensen and Steve Korich of Tahoe. Other visitors were Mr. and Mrs. Al Pfandler, Ray Scott and Dave Rose of Truckee and Ernie LePire of Tahoe. John Ciardella presided and Floyd Calkins was program chairman.

There will be no meeting on February 13 due to the Lincoln's Birthday holiday.

### Back from Trip—

Mr. and Mrs. C. W. Kydd and family have returned from a brief visit in Berkeley with friends and relatives.

### Deeble Will Seek Return To Office Of County Clerk

Ralph E. Deeble, Nevada County clerk and auditor, is the first county official to formally announce his intention of seeking reelection at the primary election which will be held June 6.

Deeble was born and raised in Nevada County and educated in the public schools of Grass Valley, graduating from Grass Valley High School with the class of 1923. Upon graduation and before entering county service, he was employed for seven years by the old Nevada County Bank, which later became a branch of the Bank of America.

He entered the clerk's office on January 3, 1931, as chief deputy under the late R. N. McCormack and held this post until McCormack's death. He was appointed county clerk and auditor by the board of supervisors on September 2, 1947, and is the incumbent at the present time.

The combined office of county clerk and auditor is one of the most important offices in the county government. For example, as county clerk Deeble is the clerk of the superior court and has charge of the filing of all actions in that court. He has charge of all citizenship and naturalization matters as well as passport applications for travel (Continued on Page 2)

### SIGMUND AICH IS FOUND DEAD IN CABIN THIS A. M.

Sigmund Aich, a resident of Truckee for many years, was found dead on the floor of his cabin today.

Mrs. Henry Loehr, a neighbor who had not seen the aged Aich for several days, went to his house, went to his home and, getting no response, looked in the window and saw him lying on the floor.

Deputy Coroner N. F. Dolley was called and took charge of the body.

### Truckee Marksmen To Shoot in Reno Friday

The Truckee Rifle and Pistol club will participate in its first inter-club shooting competition on Friday night, according to President Tom Borneman. The match will be against a Reno gun club and will start at 7 p.m. in the University of Nevada gym in Reno.

### Kenneth Wilson Has Birthday Party on 4th

Eleven of his young friends helped Kenneth Wilson celebrate his seventh birthday at a party at the home of his parents, Mr. and Mrs. John Wilson, on Saturday, February 4.

Guests included Mary Ann Faulkner, Anthony Wilson, Tim Ridsen, Billy and Frank Cadjew, Quentin Kay, Gene Hartley, Roy J. Stallard, Johnny Dugan, Carol Ann Quillic, Judy Giovannoni, and Jacqueline Wilson.

Mrs. Fosten Wilson assisted the hostess in serving the youngsters.

### Dog Derby Rally At Sarge's Tomorrow

B. W. Reynolds announced yesterday that tomorrow evening a Dog Derby Rally will be staged at Sarge's with everyone invited to participate. Final plans for the races and program, starting that day, will be reshaped.

### Fish, Game Official Is Speaker at Lions Meet

George D. Seymour, state division of fish and game official, spoke before the Lions Club last night on predatory animal control and wildlife conservation. He was accompanied by Gilbert Berg, local state trapper. Other guests included Fred Morris, James Welch and Reginald Smart of Truckee and Robert Pomin of Tahoe.

A committee from the Dog Derby visited the meeting in the interests of the approaching show. B. W. Reynolds presided.

### Sun Beams

by Walter M. Barrett

BEAMS ... V Soe

This week we salute the committee members of the Sierra Nevada Dog Derby for a job well done. For the past six weeks, members of the various committees have worked long and hard, spending their own time and cash to put over a program designed to benefit the entire area. That the community is behind them is almost unanimously indicated by the response to their solicitation of funds to make the affair a potential success. This response is typical of the attitude of the Truckee business people who have always banded together in the best interests of the district and indicates the potential strength of the town and surrounding area. We believe the Dog Derby is a splendid winter business stimulant and cannot praise too highly the efforts of the committees and business people who make it possible.

The March of Dimes, which for various reasons has lagged during the first weeks of its 1950 campaign in this district, is expected to make a final push before it is brought to a close and again prove that in worthy projects the district can always be counted upon to go over the top generously. If you haven't yet made your contribution, do it now—the time is short and never has the need been more apparent. Infantile paralysis is a terrible thing but you can help to stamp it out with your contributions.

### LEITCH HONORED FOR 30 YEARS OF P.T.T. SERVICE

A. P. Leitch, manager of the Truckee office of the Pacific Telephone and Telegraph Company, was honored last week, marking his thirtieth year with the company.

At an affair arranged by telephone company officials in Reno, Leitch was presented with his 30 year pin by Robert Bruce, district superintendent, in token of his service and loyalty to the company.

### VA Representative Due Here on February 24th

Veterans in the Truckee area will be able to secure assistance pertaining to Veterans Administration benefits on Friday, February 24, it was announced by A. T. Spatz, chief of contact services for the Veterans Administration in the Reno regional area. A contact representative of the Reno VA office will be at the Truckee Public Utility office on that date between the hours of 10 a.m. and 3 p.m.

### WSCS Plans to Have Food Sale in March

A food sale will be held in March by the WSCS, the date and details to be announced later, it was decided at a meeting of the organization held Wednesday afternoon in the parsonage of the Community Methodist Church.

Improvements contemplated for the church were discussed. Mrs. Robert Gifford was in charge of the program and Mrs. William Campbell served refreshments. Mrs. Robert Leamon presided.

The next meeting of the group will be held in the home of Mrs. William Englehart Jr.

### Summit Parking Is Discussed At Meet; Solution In Question

Nearly 100 Donner Summit resort owners and managers, officials of the division of highways and California Highway Patrol gathered at Soda Springs Tuesday night to discuss the parking problem in the winter sport areas along Highway 40.

The meeting was called to order by R. N. Little, Truckee justice of the peace, following which several delegates spoke in an effort to clarify this troublesome question. Division of highway officials explained they are helpless to cope with the situation under present budgets while the highway patrol, represented by Inspector H. E. Blackwell, Captain George Peterkin and members of the local squad, told the listeners theirs is purely a matter of enforcement.

T. T. Buell, local division of highways' superintendent, was praised for his efforts in attempting to maintain sufficient areas for the hundreds of skiers and was urged to expand the program. While nothing of a definite nature was accomplished, the meeting served to explain the various view points and may eventually result in improved conditions—the solution sought by all concerned.

### TAHOE, TRUCKEE STUDENTS HAVE SKIING LESSONS

TAHOE CITY—The Tahoe-Truckee Unified School District has begun its winter phase of athletics. A final experimental afternoon on the ski slopes of Squaw Valley and at Tahoe Lake School last Wednesday, in which some 150 students participated, brought together all the problems of logistics, management, instruction, space and organization.

As plans now stand, the Truckee schools will send their skiers to Squaw Valley each Wednesday, except holidays, for afternoon skiing. At Squaw Valley, the skiers are divided in several classes—beginners, juniors and seniors. These classes are further divided into groups. With each group will be one ski instructor from the Squaw Valley staff and one educator from the schools.

The Tahoe Lake School at Tahoe City, because of its advantage in location, will split its ski instruction between Squaw Valley and Granlibakken. All of the school's beginners will receive instruction on Monday from Kjell Rustad at Granlibakken. Many of the junior and senior skiers also will go to Granlibakken for their instruction. Some advanced skiers will go to Squaw Valley where they will join the groups from Truckee on Wednesdays.

The program, while optional to the students and pupils, provides an excellent opportunity for the pupils to make the most of the region's sport resources and ski instruction talent.

### 150 At Benefit Party For Tahoe Firemen

TAHOE CITY—The Tahoe City Firemen's Benefit Ball on Saturday, February 4, saw 150 guests at the Tahoe Inn, reports Bill Becholdt, dance chairman. After the dinner, donations were accepted. Biggest donation was that of Schmitz of Sacramento, whose Tahoe Park home was saved by the firemen when the adjacent Kvistberg home was razed last week.

Going South—Rev. and Mrs. Oscar Swenson will leave Friday for a visit in Los Angeles.

### Mrs. Buell First To Announce In Justice Contest

#### Little Declines to Seek Election at Voting This Year

Following the announcement by Justice of the Peace R. N. Little that will definitely not be a candidate for re-election to the office which he has successfully occupied for the past four years, Mrs. Ethel Buell, teller at the Truckee branch of Bank of America, has declared she will enter the race to succeed Little.

While there have been several rumors that various candidates would seek the post, Mrs. Buell is the first to publicly announce her intention of filing. The first date for official nomination will be March 8.

In making the announcement, Mrs. Buell said she had considered the advisability of seeking the office since she learned that Little would not be a candidate and after conferring with friends and other business people, decided to run.

Mrs. Buell is the wife of T. T. Buell, superintendent of state highways in this district. They came to Truckee from Bishop in August, 1942 and since 1945 she has been employed at the local bank. Her ability as a competent business woman has been demonstrated in her present position and in seeking the office of justice of the peace she can point to five years of business experience and dealing with the public.

Little declared that his growing real estate and insurance business is demanding more and more of his time and he feels that he must devote his full efforts to his own enterprise. To properly administer the duties of justice of the peace, he said, takes at least half a working day and interferes with his personal business. The office pays \$175 per month.

The Buells own their home here and have been active in community developments.

### HOPES TO ENTER SLED DOG RACE IN ANCHORAGE

Providing he can secure the right sponsor, Lloyd Van Sickle, Truckee dog trainer and musher, hopes to be able to enter his team in Fur Rendezvous sponsored by the Alaska Sled Dog and Racing Association at Anchorage, Alaska. The closing date for entries has been set for February 15.

Van Sickle believes his team would easily win the 100 mile race which will be run in 25 mile heats. The purses are ample to make the effort worthwhile, he said, but as yet he has not been offered suitable sponsorship.

### Local People Hear Of 18th Grandchild's Birth

Mr. and Mrs. Frank Kearney received word of the arrival on Thursday, February 2, of their 18th grandchild at Corte Madera. The baby weighed 7 pounds 14 ounces at birth and has been named Francis John. He is the son of Mr. and Mrs. Philip Kearney.

### Election, Founders Day At PTA Next Tuesday

The regular monthly meeting of the PTA will be held in the grammar school on Tuesday, February 14, at 8 p.m. The meeting will feature the annual election of officers, followed by a Founders' Day program under the direction of Mrs. M. E. Brown, president.

Members are asked to note the change in date from Monday, February 13, the regular meeting night.

Refreshments will be served after the meeting by Mrs. D. Rylander and her committee.

Birth Date—Mrs. John Moro observed her birthday on February 2.

## Nine Teams To Compete In Big Race This Week

### Dog Derby Will Open Friday at 1:30 With Horse Race

With a promise of fair weather and ample snow, the stage is all set for the Sierra Nevada Dog Derby scheduled here for tomorrow, Saturday and Sunday and the committees which have spent the past two months preparing for the affair have every confidence that a large crowd will witness the various scheduled events.

The second section of the Sierra Sun today is devoted to a complete program and advertising from the many sponsors. This supplement was prepared by the publicity and arrangements committee and is designed to give a complete and concise resume of the three-day program.

Starting the affair tomorrow will be a challenge race between a quarter horse, ridden by Ken Torri, and Lloyd Van Sickle's Targhee race hounds. The race will be on River Street and will start at 1:30 p.m. This will be followed by the children's dog races, open to anyone under the age of 16, contestants to provide their own sleds but dogs will be furnished by the committee in event the contestants do not have their own animals.

A malamute pup and a husky pup will be awarded tomorrow. At 1 p.m. Saturday at the Dog Derby arena a number of special events will be staged, including skijoring, snow shoe races and a demonstration of mechanized snow equipment.

This will be followed by the main event—the running of the world's championship 11-mile northern breed dog sled races. At least ten teams are scheduled to be entered. Favorite this year lies among Lewis Price, Harry Johanson, Al Haltom, Bob Van Sickle and the latter's brother, Lloyd, present champion, although there may be surprises from the other mushers. Ray Crandall of Truckee is an undetermined factor, this being his first race. Major John Rodman, Lowell Fields and his son, Larry, arrived Tuesday from Idaho. All are first rate mushers and promise real competition in the 1950 Derby.

The races should be close and interesting and it is expected that this even will attract wide attention. The track has been laid out by the committee just east of the Brockway cutoff and south of Truckee. Soft drink and sandwich concessions will be operated during the races and the Nevada County Sheriff's Ski Posse will be in charge of the admission gates.

Saturday evening's program will be highlighted by the 20-30 Club Snow Ball at the Veterans Memorial Hall where the queen will be selected from the six contestants. A five-piece orchestra has been engaged and the 20-30 members have been working diligently to get the hall in proper setting for the occasion.

Sunday's special event will be a cross country dog sled race from Truckee to Donner Lake, paralleling Highway 40, and return. This added attraction will provide entertainment for hundreds and is expected to develop into one of principal events of the entire program.

The Derby has been given pages of favorable publicity throughout northern California and a special Southern Pacific train will bring in scores of spectators to add to the hundreds expected by auto. The county, state and SP crews have been working to provide as much parking area as possible throughout the town and in the vicinity of the arena.

For full details, we suggest you turn to the second section of the Sierra Sun today.

### McGee Team Leading In Rebekah Contest

Naomi Rebekah Lodge No. 2 met last evening in regular session with Noble Grand Ruth Rockholm presiding. The attendance team led by Alice McGee was reported ahead to date. After the meeting refreshments were served by Lucille Bick and JoAnn Brown.

Next meeting will be February 22. All members are asked to attend. Chairman for the evening will be Peggy Bertolozzi and Della Burlingham.

Card Party—Mrs. Clifford Mathes entertained members of her card club on Monday evening. The St. Valentine motif was in the table appointments of the buffet supper which followed the games.

## North Tahoe

by T. BURROUGHS  
Mr. and Mrs. Harry Comstock are away for a short vacation but not for long. They like living at Tahoe too much for that.

Little Bonnie Svendsen of Crystal has been ill with a bad throat and cold. Sorry, Bonnie, hope you will be as good as new right away.

Kay Blair was taken to St. Mary's Hospital in Reno last Monday and went to surgery on Tuesday morning. It is expected that she will remain there for about eight days. Your friends wish you a complete and speedy recovery, Kay. Keep smiling.

Annie and Joe Dolce have returned to their Tahoe home for the remainder of the winter. Joe traded his family car for a Chevy truck and hopes to lend a helping hand to many Tahoeites.

Kenneth Lavery celebrated his eleventh birthday last Saturday evening with a group of his local friends who enjoyed a turkey dinner with all the trimmings along with the well known Lavery hospitality. A theatre party concluded the entertainment program and Ken feels that the memorable date of his birth was beautifully observed in spite of the rain and slush outside.

There was no four leaf clover under the shed with three cars belonging to the Andy Sorensens last Monday when too much wet soggy snow caved in the roof smashing everything underneath.

All three cars were covered by insurance and the Sorensen family consider themselves fortunate indeed as only a short time prior to the accident at least two members of the family had been under the shed.

The Lavery property across from Brockway Theatre is the site chosen for a new business here. A laundromat will soon be under construction. It will be managed by Mrs. Lavery, better known among her friends as Ruth. This service should be in operation by June 15.

That chartered bus load of winter sports enthusiasts at Horse-shoe Lodge over last weekend was colorful and very welcome at the North End. Apparently nearly all places remaining open were filled to a reasonable capacity.

A letter from Dorothy O'Brien says she's awfully busy with her school work and finds it most interesting. Dot sends best wishes to all her friends at Tahoe.

Among some very good skiers seen on The Burroughs hill last Sunday was Norman King. How these kids do grow up!

Wee Kirk of the Pines Church School continues to be held each Sunday morning at ten o'clock at Carpenters' Hall.

John K. Anderson of San Francisco knows from his experience last Sunday that it pays to have instructions before taking up the art of skiing to the extent of making downhill runs too fast.

John lost his balance and somehow managed to stick a ski pole

tip into his right leg. Dr. John Keys made repairs which required seven stitches.

Only a moment is required to sustain an injury that takes a long time to heal. When a few hours of K7 L-DDDDoM -- long time to heal when a few hours of instruction under a competent director will in many cases remove the danger as you learn the art of balance and maneuvering your skis and poles. Lessons are available here by calling Brockway 337J or Bud Mandeville at Brockway 124.

Regular meeting of the PTA of Kings Beach will be held at the school house on the third Thursday of this month, February 16, at 8 p.m. There will be an election of officers and the founding of the national PTA will be celebrated. In charge of the Founders Day program is Mrs. John A. Keys, chairman. A surprise is to be given the room with the largest representation of parents. So, parents, don't let those school kiddies down. Help with your presence to win for your child's room that surprise.

WSCS regular meeting was held last Tuesday at the home of Mrs. Ivan Parr at which arrangements were completed for the dinner to be served at Carpenters' Hall Saturday, night. Think of it! A fine ham dinner served by members of the WSWS for only a dollar! You can't beat that.

So much interest is being shown in the adult class in practical English under the direction of Mrs. D. C. Barnett that she has seen fit to start a second group on lesson one. This class is available on Monday evenings to all adults who wish to brush up on those "pesky pronouns" and other parts of speech.

## Confer in Washington

Members of a joint interim committee of the California Legislature which was in Washington last week are shown here conferring with Congressman Richard Nixon, of Whittier, in his office on matters affecting California agriculture and fish and game problems. Left to right, Assemblyman Francis Lindsey, of Loomis; Senator F. Presley Abshire, of Geyserville; Nixon, who is a candidate for election this year to the United States Senate; and Assemblyman Thomas M. Erwin, of Puente. The state legislators also conferred with Secretary of Agriculture Brannan while in the nation's capital.

## AFFAIRS OF STATE

by EARL G. WATERS

SACRAMENTO — (W.N.S.)— Another session of the California Youth Model Legislature will be held here starting February 23.

This is a program sponsored by the YMCA to encourage an interest in government on the part of those approaching the age of citizenship.

It is similar to the program developed by the American Legion.

Both organizations provide selected groups of youngsters with worthwhile demonstrations of how state government operates. The demonstrations are through actual participation.

The future citizens elect legislators, convene in Sacramento and elect state officers, and engage in a model legislative session.

In determining issues to present before their legislators the junior citizens stir around their local communities and come in contact with local leaders. Their ideas are directed and legislative programs are prepared.

Meeting here, the legislative proposals are presented and acted upon in the same manner the real legislature conducts its affairs. There is one exception. The junior legislators do not experience the practical side of lawmaking. That is they do not come into contact with lobbyists.

Nevertheless there is a good deal of practicality in the program. Some of the youthful legislators arrive loaded with sage advice from experienced public officials. These are the youngsters who demonstrate the tricks and dodges of the practical politician. Through such activities tomorrow's leaders are gaining useful experiences which help to make America strong.

to foreign countries. He is also clerk of the board of supervisors, secretary of the county planning commission, registrar of voters and conducts all county elections except school and special district elections, beside many other duties.

As county auditor, Deeble is the county bookkeeper and guardian of the people's money. Nevada County will spend during the current fiscal year a sum in excess of \$2,300,000 and it is his duty to see that every penny is honestly and legally spent. It is his duty to annually prepare and publish the county budget for the fiscal year and also to prepare all reports to the state controller. During his incumbency, Deeble has installed in the clerk's office a simplified accounting system and has completely modernized accounting practices.

"I have made an honest effort to give the people of Nevada County efficient and courteous service," Deeble said, "and if elected at the June 6th Primary Election, I propose to continue the same kind of service, which the people have a right to expect. I will be aided in this effort by my very able assistants, John (Tommy) Trauner, Rita Hutchison and Jean Keeny."

# PLANS MOVE FORWARD ON MAJOR SKIING TOURNAMENTS

## BEE MEET DATE IS MOVED TO MARCH AT SUGAR BOWL

From Sugar Bowl comes word that the Sacramento Bee team race, originally scheduled for February 18 and 19, will be postponed until March 26. Both the downhill and the slalom will be held on March 26—the downhill in the morning and the slalom in the afternoon.

This event is for member clubs of the Central District of California. Each team is composed of two men and two women, all of whose times count toward the total score. Each member must finish the race or the team will be disqualified. The race is sponsored each year by the Sacramento Bee of the McCaltchy newspapers

in Sacramento and held at Sugar Bowl with officials of the Sugar Bowl Ski Club officiating. Last year, the race was won by the California Kandahar Ski Club of Sacramento whose members were Dr. Lorenz Ruddy, Fred Corfee, Jennie Breuner and Betsy Amick. The Sugar Bowl Ski Club team trials scheduled for February 4 and 5, 11 and 12 to pick members from the club to run in the above event have also been postponed until February 25 and 26. The downhill team trial will be held on Saturday the 25th and the slalom on Sunday the 26th.

## SAFETY COMMITTEE IS NAMED FOR LAKE TAHOE MEET

TAHOE CITY—The Lake Tahoe Ski Club meeting was well attended Friday night. In addition to the resident members, five visitors from Sacramento, Berkeley and San Francisco were attending.

Floyd Carnell, the tournament chairman, announced that the new electric tow is now in operation on Olympic Jump Hill, site of the March 4 and 5 FWSA jumping phase of the meet. In connection with the meet, Oscar Quam was named housing coordinator to insure availability of lodging to visiting skiers. Bill Becholdt was named in absentia to head the banquet committee. The skiers' banquet will be held at Tahoe Inn.

As a protective measure for the club's own skiers and for visiting contestants, a competition committee was appointed. This committee, representative of all classes of skiers, will pass on the condition of ski runs before use and on the ability or readiness of skiers to compete in specific contests. Members of the committee are Ray Fellows, chairman; Carl Becholdt Jr., Robert Stark, Dick Carnell and Arner Gustafson.

For the Lake Tahoe Chamber of Commerce Snow Ball, to be held at Cal-Neva February 11 and 12, the ski club unanimously elected Carolyn Bolton as their representative in the queen contest.

Hostesses serving refreshments after the business meeting were Mesdames Harold Stark and Max-on Porter.

## NAT'L GIANT SLALOM SHAPES UP AS BIG EVENT THIS SEASON

At a recent meeting of all the hotel and resort owners of Donner Summit, plans were formulated for the forthcoming National Giant Slalom which is being sponsored by the Sugar Bowl Ski Club on March 11 and 12.

Housing arrangements were completed to take care of not only racers but officials, gatekeepers and ski patrolmen. Entries will be mailed to all qualified Class A and open competitors in the United States and Canada.

Kvistberg reports that the quick and friendly aid of neighbors prevented much loss to downstairs furnishings but that even downstairs there was considerable loss in rugs, tables and other semi-permanent fixtures which could not be removed in time.

The Kvistbergs also wish to thank the Tahoe City Volunteer Fire Department, all neighbors and friends for their assistance at the fire and their offer of shelter, and the telephone operators for their prompt service.

within the next ten days. A special emissary from the Sugar Bowl will attend the World Championship races in downhill and slalom at Aspen, Colorado, during the week of February 13 to 16.

This ambassador from Sugar Bowl will personally issue invitations to the American, Canadian, European, South American and African nations being represented at the FIS. These teams are now at Aspen training for the World Championships. Elmo Morlano of Beacon Hill Lodge has personally offered to house the entire Italian team if they could come to Donner Summit for the National Giant Slalom.

The National Giant Slalom is doubly important to skiing this year in that this is the first time in skiing history that the World Ski Championships have been held in the United States and with the possibility of bringing some of the members of the 19 various nations as well as Canadian and American skiers, it promises to be one of the best big time competitions during the current season.

The Fife Building is on Drumm Street in San Francisco.

## COUNTY AIRPORTS GET MONEY OUT OF STATE TAXES

SACRAMENTO—Counties and airport owning cities shared new revenues this month when the first apportionment of unrefunded motor vehicle tax on aviation gasoline was made by State Controller Thomas H. Kuchel.

The first quarterly allocation amounted to \$67,830.78 with \$23,055.17 going to the airport owning cities and \$44,775.61 to the 58 counties.

Counties in the central Sierra region shared in the fund as follows:

Alpine	\$698.08
El Dorado	\$833.25
Nevada	\$767.29
Placer	\$40.01
Sierra	\$727.43

Legislation enacted in 1949 provides for a quarterly allotment of \$825 to each county and the balance of the fund to be allocated one-half on the basis of population

and one-half on the basis of county area. The monies may be spent only for capital outlay on airports and can be assigned by the counties to the cities with the same restriction on expenditures.

## Truckee Elementary SCHOOL NEWS

**BASKETBALL**  
—by David Peterson, Raymond Dixon, Louie Ramirez  
The Truckee Elementary School basketball team chose up sides with their own men and four other boys from the high school B team. Eugene Carrillo was captain of one team, with David Peterson, Louie Ramirez, Joe Copeland and Joe Garcia on his team. Raymond Dixon's side had Duane Knight, Alfred McGee, Dallas Marquis and Chuck Smith.

The score was 34 to 23 as Eugene's team won.

**STANDARD BROADCAST**  
—by Ruth Osburn  
Every Friday from 10 to 11 a.m. for the rest of the year the students in the 7th and 8th grades are going to listen to the Standard School Broadcast. The broadcasts are musical and very educational. For example, the program they are having Friday features music that has to do with mountains and valleys.

**LINCOLN'S BIRTHDAY**  
—by Marie Osburn, Ginger Reynolds, Roberta Peden  
As a social studies activity, the 7th and 8th grades are going to make a recording about Abraham Lincoln. The recording is to be conducted as it is done on the radio. The programs are planned, played by and conducted by the children. The wire recorder belongs to the Placer County schools department. In March, when another teachers' meeting is called, one of the recordings made during February will be played for the teachers. This will show the teachers from other schools what the pupils of the Truckee Elementary School are doing.

The group's leaders for the Lincoln's Birthday program are Sharon Pace, in charge for the 7th grade, and Ruth Osburn, in charge for the 8th. Some of the poems that are going to be read by the 7th grade are "Oh, Captain, My Captain," "America For Me" and the Gettysburg Address.

The students in Mrs. Gage's room have been busy writing a story and drawing a mural for Lincoln's Birthday. Working on the story are Roy Arthurs, Barbara Brown and Nancy Marquis. The children that made the mural are David View, Roy Arthurs, Janice Gray, Roger Mayo, Dallas Scofield, Tommy Towler and Billy Moreland.

## Do You Want To Cut Your Federal Taxes?

### Slash Government Cost

If your personal or business expenses go up and your income and efficiency come down this year at the same rate as that of the Federal Government, you will be in the hands of the sheriff at an early date.

Workers, farmers, and businessmen from Maine to California know this. The answer is in the Report of the Commission on the Organization of the Executive Branch of the Federal Government. This twelve-man, bi-partisan Commission was unanimously created by Congress with the approval of the President. At the suggestion of Mr. Truman, former President Hoover was made its Chairman and Secretary of State Dean Acheson, Vice Chairman. The late President Franklin D. Roosevelt long had advocated such a reorganization of the government.

There is a two-fold purpose behind the effort to reorganize the Executive Branch of the Government: One—the elimination of inefficiency caused by overlapping and duplication; two—this should lead to a reduction of your taxes. If our Government can save from three to four billion dollars a year by more efficient methods of conducting our business, failure to act is stupid short-sightedness.

Action, however, depends upon the President and Congress. The President has already submitted a number of reorganization recommendations. The Congress has adopted several of these, most important having to do with the housekeeping of the armed forces, which save the taxpayer more than \$500,000,000 a year. But these are only first steps. There will be more ahead if Congress is made to realize Mr. and Mrs. Taxpayer want more tax-saving economies. Congressmen and Senators will vote for just so many of the Commission's recommendations as you, their constituents, demand.

What can you, as an individual, do about it? The answer is to write your Congressman and Senators. Tell them you want the Recommendations of the Commission on the Organization of the Executive Branch of the Federal Government made the law of the land. Join the non-partisan Citizens Committee set up to obtain the necessary action to make the Commission's report work. Write to the Citizens Committee for Reorganization of the Executive Branch of the Government, 1421 Chestnut Street, Philadelphia 2, Pennsylvania, for more information about the Commission Report. Tell your neighbors about it. Make speeches! Make your representatives in Washington act—now!

coats. These outfits are worn by children on traffic patrol.

There has been something new added in the 7th and 8th grade room. It is a new white clock in the back of the room. The children will use it for speed tests and other things.

has also been expended from the Forest Highway Fund \$833,042 per year. This money has gone for the improvement of Highways 49, 20, 40 and 89 within the Tahoe National Forest boundary.

## Summit Scene

by FRANK COUILLARD  
Last weekend's crowd was tremendous. Each week we stipulate that the next week end could not hold more in that area, than the preceding week but it seems we don't know all the nooks and crannies in the area. The three day holiday coming up, we predict, will be greater than the New Year weekend.  
Right now great plans are in the making for the next two big events following the Dog Derby—the National Giant Slalom and the Donner Trail Memorial race. Jerry Hiatt of the Sugar Bowl, Cam Rounage of Auburn and various small committees meet regularly to iron out the wrinkles in their plans and we predict a week of great magnitude for that propitious time between the two events—March 12 and March 19.

Under the direction of Jerry and Stan Walton, the Sugar Bowl and Donner Ski Ranch have complete programs for the balance of the season which include big skiing events for each weekend, with their double chair lift, cater to the weekender who does not wish to vie or contend in such events and keep their smooth running chair lift swamped every weekend.

Gladys Pedley will be hostess at the next Summit Sit which will be held at the Soda Springs Hotel. Helen and Milt Hogle, Eve and Tony Donadio, Elmo Moriano—all return to the area after a few well earned days of vacation.

We had ourselves a small accident on Highway 40 last Sunday evening, being delicately brushed in the back of the leg by a car whose driver was blinded by a wind driven flurry of snow. We have one of the most glorious "shiners" you ever looked upon—said shiner being fit for television without benefit of makeup—and our brow is sewed up in a beautiful stitching job by Dr. Larry Nelson. We make this statement publicly so that our mild and

William Patrick O'Connell of Silver Springs, Maryland, came out of World War II paralyzed, blind and with a partial loss of memory. He didn't care much about living.

That was five years ago. Today, O'Connell is district manager of the Jefferson Standard Life Insurance Company, happily married and the proud father of a baby boy.

Because of his ability to cope with serious handicaps caused by war service and become self-sustaining, the Disabled American Veterans has selected O'Connell as "The Hero of the Month."

The selection is part of a national program to honor each month a seriously disabled veteran who has successfully rehabilitated himself.

Duke attributes his rehabilitation to specialized training under Public Law 16—the disabled veteran's law—and the assistance given him by the DAV in assisting him with his compensation claim. He is a member of the DAV National Service Chapter No. 9 in Washington, D.C.

O'Connell's service record is an amazing story of heroism. A top notch baseball, basketball, boxing and sharpshooting champion in high school and service competition, Duke served with the Ranger

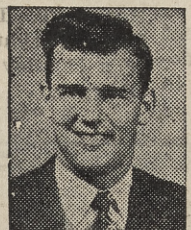

Battalion and took part in the invasion of Normandy on D-Day. He was in the first wave. Objective: knocking out big coastal guns. Objective accomplished, despite heavy casualties. O'Connell was in combat until September—three months later—when a sniper's bullet in Alsace Lorraine lodged in his thigh.

O'Connell was hospitalized for two and a half weeks and sent back into action with his leg still bandaged. More action through December... and more heroic service that included falling through the roof of a house and helping in the capture of 1100 Germans.

Near Saarbrücken, Germany, a power plant had to be taken. About half way across the field he was cut down by machine gun fire. He fell, and in falling, was turned around. Thinking he was crawling toward his own lines he was inching toward the enemy and was shot through the head, left for dead.

He was hospitalized... blind, paralyzed, very little memory. He wanted to die. But finally his sight was regained and following months of hospitalization he was released.

The future? Duke wanted a job where he could be on his own. Taking advantage of the government's educational program, he enrolled at Purdue University for training as an insurance underwriter. When he completed his college courses his record was so impressive that Jefferson Standard employed him as an underwriter and shortly after that made him a district manager.

## COUNTIES OF AREA GET SHARES OF HIGHWAY TAXES

SACRAMENTO—State Controller Thomas H. Kuchel Monday announced the apportionment of \$38,745,354 from the Highway Users Tax Fund to the cities, counties and the state highway fund.

The 58 counties divided \$12,409,319 and \$4,899,182 was set aside in the state highway fund for future use by the cities. The remaining \$21,436,843 was deposited in the highway fund for expenditure on highways by the state.

The Central Sierra counties shared in the fund as follows:  
Alpine ..... \$15,349.68  
El Dorado ..... \$74,638.88  
Nevada ..... \$49,138.96  
Placer ..... \$80,539.47

Sierra ..... \$27,666.76  
Kuchel said the monies were derived from the following sources, Gasoline tax, \$35,274,110; Use (Diesel) fuel tax, \$1,298,348; motor vehicle transportation tax, \$2,172,273; and miscellaneous revenue, \$623.

## 4 PER CENT OF COUNTY PROPERTY TAX FREE

Property exempt from local taxes in Nevada County this year is assessed at \$1,015,520, equal to 4.2 per cent of the net total assessed valuation of taxable property in the county of \$24,211,930 for 1949-50, California Taxpayers' Association reports.

Included in this category is a portion of the property held by war veterans, churches, welfare and charitable institutions and colleges.

gentle husband will not be accused of mistreatment. We also make the statement so that our many friends who call to inquire about our health will know that we really are all right, that our aches and pains are superficial and that we are proud of the most beautiful black eye ever seen in these parts.

Now away from us and back to the Dog Derby. We count our clippings from the clipping service and find that we have secured marvelous northern California coverage. Friday, after we had stood in the rain and witnessed pretty Shari Reynolds present Dog Derby tickets to Governor Warren who graciously stood in the rain while the photographs posed dogs, queen contestant, the mushers and members of the committee who were present, we took off for two radio programs where we were interviewed about the dogs.

As we saw everyone in the area at Donner Lake Lodge last Thursday evening for the Dog Derby Queen Carnival, we don't suppose we should report on same other than saying that it was a great success, that the clown suits which the attendants wore were in keeping with the carnival spirit, that the canopy over the coffee shop under which hot dogs and hamburgers were dispensed was also circus like, that the queens received a marvelous number of votes, and that the pulchritude represented from the youngest (being little Nancy Williamson, dressed in a grey ski suit which her mama had made) to the Southern Pacific Queen who had traveled from San Francisco to put in her appearance, was simply worth a page in a rotogravure magazine—but we report that much anyway.

## STATE WILL ENTER COURT SUIT OVER TRUCKEE'S WATERS

The San Francisco federal circuit court of appeals granted the state of California the right to enter in a federal suit against the Sierra Valley Water Co., which uses water from the Little Truckee River.

The opinion Tuesday reversed a negative decision handed down by Federal Judge Dal Lemmon of Sacramento.

The case concerns whether or not the water company may with considerable quantities of water for intra-state use in California from the Little Truckee before it joins the Truckee River, which flows into Nevada.

The federal government seeks more Truckee River water for its Pyramid Lake Indian Reservation and the Newlands Reclamation Project.

# SUMMARY OF PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR FEBRUARY, 1950

February 1st, 1950

The regular meeting of the Board of Supervisors convened at 10 o'clock A.M. with Vice-Chairman Frank J. Rowe, presiding. On roll call Supervisor W. E. Odell was noted absent. The minutes of the January meeting were read by Clerk R. E. Deeble, and upon motion duly made, seconded and carried, were ordered adopted as read.

At the request of the Superintendent of Schools, the Board ordered the sum of \$953.00 transferred from the Unbudgeted Reserve Fund to Junior College Tuition Fund.

Mr. Keif D. Melberg appeared before the Board at its request and outlined the personnel needs for the County Welfare Department subsequent to March 1, 1950, also the equipment needs to properly administer old age security, child aid, and blind assistance programs; approved the same and instructed Mr. Melberg to prepare necessary requests to the State Department of Social Welfare for financial aid up to July 1, 1950. The question of salaries was taken under advisement, to be settled before adjournment of this session.

Inspected all claims presented by County Auditor R. E. Deeble, and, after careful consideration, approved same as follows, out of the—  
GENERAL FUND, WARRANTS Nos. 3416 to 3779 \$30,689.31  
VETERANS' BUILDING FUND,

WARRANTS Nos. 74 to 89, \$1,006.19.

The Board then unanimously voted to transfer County funds as follows: From General Fund to Special Road Improvement Fund the sum of \$26,299.00; From Special Road Improvement Fund to General Fund to repay a loan, the sum of \$22,000.00; From Special Road Improvement Fund to General Road Fund to repay a loan, the sum of \$4,000.00.

The County Auditor then presented the road claims which were all properly inspected, and allowed them as follows:—  
SPECIAL ROAD IMPROVEMENT FUND, WARRANTS Nos. 951 to 1097, \$30,732.91  
GENERAL ROAD FUND, WARRANTS Nos. 77 to 78, \$600.00

Communications were read to the Board urging favorable action to create an Army Air Academy at Camp Beale from the following organizations and individuals: Nevada City Chamber of Commerce, Mine Workers Protective League, R. C. & Leah Pengelly, Grass Valley Chamber of Commerce, Mrs. Arletta Douglas, Carpenters' Local No. 1903, Marysville District Chamber of Commerce.

Passed a resolution disclaiming any right, title or interest in or to Tract 74-A of Camp Beale, and instructed the District Attorney to file the proper Disclaimer in the Federal Court.

Passed a resolution to cancel the delinquent taxes of Mrs. Bertha E. Conner in Lime Kiln School District which were erroneously assessed by the County Assessor. Authorized cancellation of Tax

## Davis Seeks to Limit Liability to \$4,000

An order by Federal Judge Louis Goodman of San Francisco staying further proceedings in the suit for damages totaling \$321,000 brought in behalf of Imogene Wittsche of Roseville, against Phil Davis, wealthy Oakland auto dealer, is on file in the El Dorado County court. Judge Goodman's order sets April 25 for a hearing on the federal court petition. Davis is seeking to have the damages minimized to \$4,000. Miss Wittsche lost both her feet last summer in a speed boat accident while swimming at Lake Tahoe and Davis was subsequently convicted of negligent operation of the craft.

### Santa Cruz Visitors—

Mr. and Mrs. N. F. Dolley spent the weekend with his parents in Santa Cruz.

### In Lovelock—

Ed Johnson of Truckee has been in Lovelock, Nevada, for the past three weeks.

### Street in Woodland—

John Street visited relatives in Woodland this week.

Deed No. 1, recorded in Book 11 at page 86 of Tax Deeds.

Appointed Supervisor Frank J. Rowe the representative of this Board on the Board of Directors of Weimar Joint Sanatorium for the year 1950, and appointed Supervisor Carl J. Tobiasen alternate representative.

The business of this meeting being completed, adjournment was taken until 10 o'clock A.M. on February 2, 1950.

February 2nd, 1950  
The meeting convened at 10 o'clock A.M. pursuant to adjournment. The meeting was called to order by Vice-Chairman Frank J. Rowe, and on roll call Supervisor W. E. Odell was noted absent.

The Board received a committee of citizens headed by Mayor Gilbert Cramer of Grass Valley relative to the acquisition of the MacBoyle Airport. With the committee appeared Mr. Carl G. Hand and Kenneth A. Midkiff of the Civil Aeronautics Administration of the U.S. Department of Commerce; and Mr. Wisnand of the State Aeronautics Authority. These men gave a report regarding the feasibility of the project. The Committee requested this Board to indicate a willingness to develop the MacBoyle Airport as a County project. The Board informed the Committee that it was unable to commit itself at this time until facts and figures are furnished showing ultimate cost to the taxpayers of Nevada County. The Board did, however, agree to ask Mr. Wisnand to make an engineering survey of the project, at no cost to the County, and report back to this Board at a later date.

Mr. John H. England, Chief of Cooperative Personnel Services of the State Personnel Board appeared before the Board relative to a complete salary survey for the County. He explained the manner and type of service rendered to the County by the State of California and the approximate cost. This was taken under advisement by the Board.

The Board granted the State of California a right of way to construct a telephone line from Higgins Corner Fire Suppression Station along the County Road to a point adjacent to the Spilker Ranch buildings, a distance of three miles.

At the request of the Chairman of the Grass Valley Veterans Building Committee, the Board ordered the sum of \$120.00 transferred from the Unbudgeted Reserve Fund to the Veterans Building Fund for the purpose of purchasing new bowling pins.

The Board approved the action of the County Service Officer in promoting Dorothy Shamberger to first assistant, and the appointment of Samuel Gillon as second assistant in place of Stanley Sahl, resigned.

Authorized and directed the District Attorney to take immediate steps to collect outstanding delinquent unsecured personal property taxes.

Authorized the County Auditor under authority of Section 29610 of the Government Code of California, to take one deputy to Long Beach for the Annual County Auditors' Association convention.

Ordered the minutes of the February sessions of the Board to be printed in The Sierra Sun.

Authorized Supervisor C. J. Tobiasen to go to Angels Camp to attend a water conservation meeting as a representative of this Board.

Ordered that all workers in the Welfare Department will return to County service at the salary range which was in effect in that Department on August 1, 1949.

The business of the meeting being completed, adjournment was taken until the call of the chairman.

R. E. DEEBLE  
County Clerk and Ex-Officio  
Clerk of the Board of Supervisors.

## Dog Derby Cachet to be Available Here

Paul Smith of Virginia City, Nevada, will design and sponsor a special cachet in connection with the Sierra Nevada Dog Derby at Truckee February 10, 11 and 12.

For those not familiar with stamp collecting, a cachet is an envelope bearing a special design and post mark which is sent to collectors for a small fee.

Collectors desiring this cachet may communicate with the designer at the Riverside Hotel in Truckee.

## Bank Staff Honored At Tahoe Inn Party

Mr. and Mrs. Carl Bechdolt Sr. were hosts at a dinner party last Thursday evening in Tahoe Inn at Tahoe City for members of the staff of the Truckee branch of Bank of America and their guests.

Invited to the enjoyable affair were Messrs. and Mesdames Ray Scott, Gaston Hocker, R. Elf, M. Horne, T. T. Buell and Misses Betty Parkhurst, Menia Moretta, Lois Horsley and Clarence Dunkelbarger.

### Family Visits—

Mr. and Mrs. Keith Weeden and children Geraldine, Thomas and Raymond returned to their Oakland home on Tuesday following a visit with Mr. and Mrs. A. B. Polyanich.

### Radio Man Here—

Mr. and Mrs. Charles W. Cissel left Friday for Echo Summit where he continued his radio work for the state division of highways.

## Five Local Men Are Called on Jury Duty

Five Truckee men were called to Nevada City Monday for trial jury duty. They were Harold Davidson, Kenneth Foster, William Allen, Reg Smart and Hermann Owens. They were all excused from the case at hand but have been recalled for possible service next week.

## Tarzan

by EDGAR RICE BURROUGHS

IN AN UNDERWATER BATTLE WITH CLEVELAND'S DIVERS, ORDERED TO DROWN CHIEF MABULI'S SON, TARZAN ROUTED THE KILLERS AND RESCUED THE BOY.

"THE KID YELLED," CLEVELAND EXPLAINED SUAVELY. "THEN SOMETHING SEEMED TO PULL HIM UNDER. WE WERE TOO FAR AWAY TO HELP HIM. IS HE DEAD?" "NO," TARZAN REPLIED. "BUT GET US ASHORE FAST!"

WORKING OVER THE BOY, TARZAN FROWNED. "WHEN HE COMES TO, HE'LL TELL US WHAT PULLED HIM DOWN."

"...THEN I'LL INVESTIGATE!" TARZAN PROMISED.

"GET THE DIVERS ON THE BOAT," CLEVELAND ORDERED. "IF HE FINDS THEM--WE'RE THROUGH."

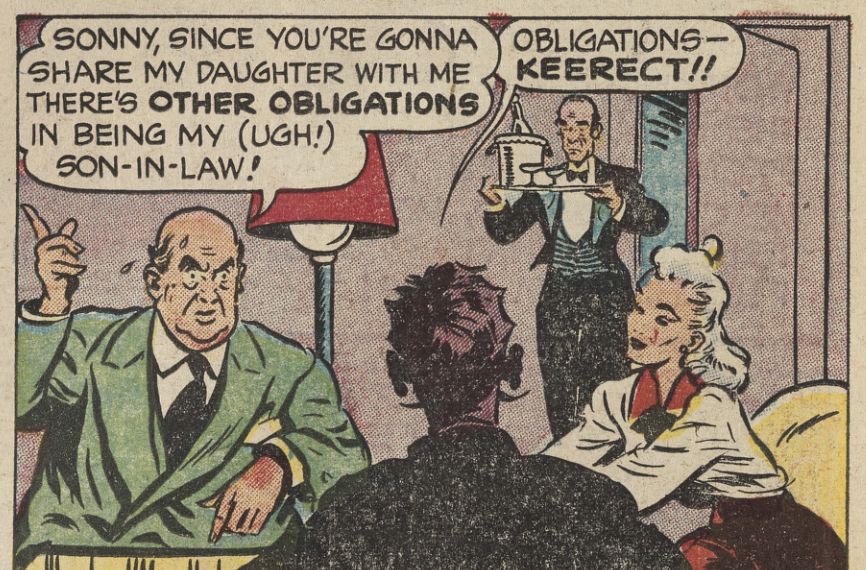

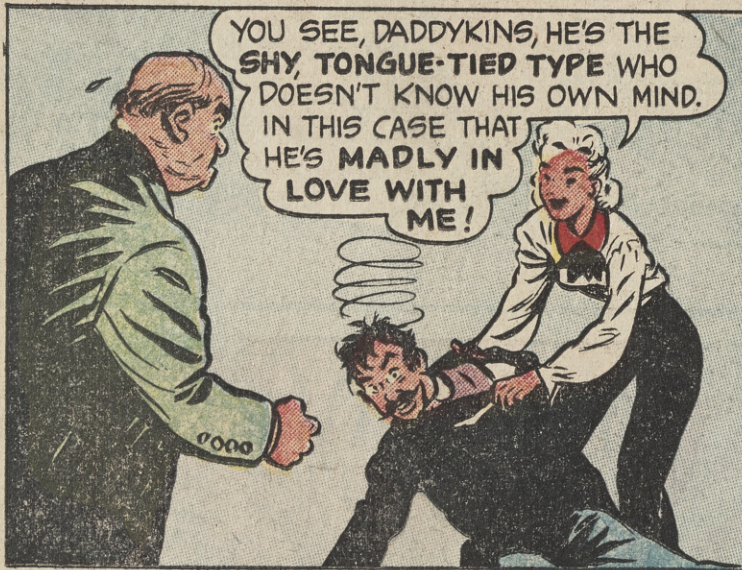

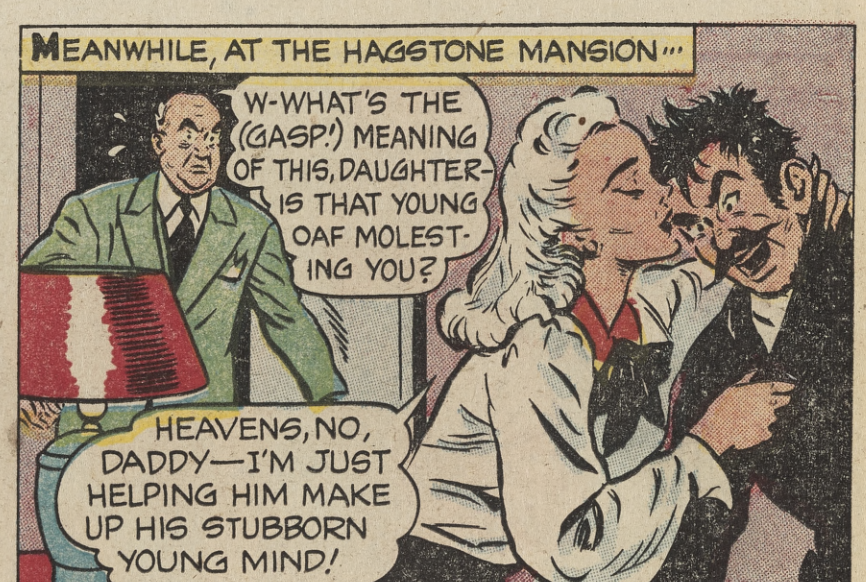

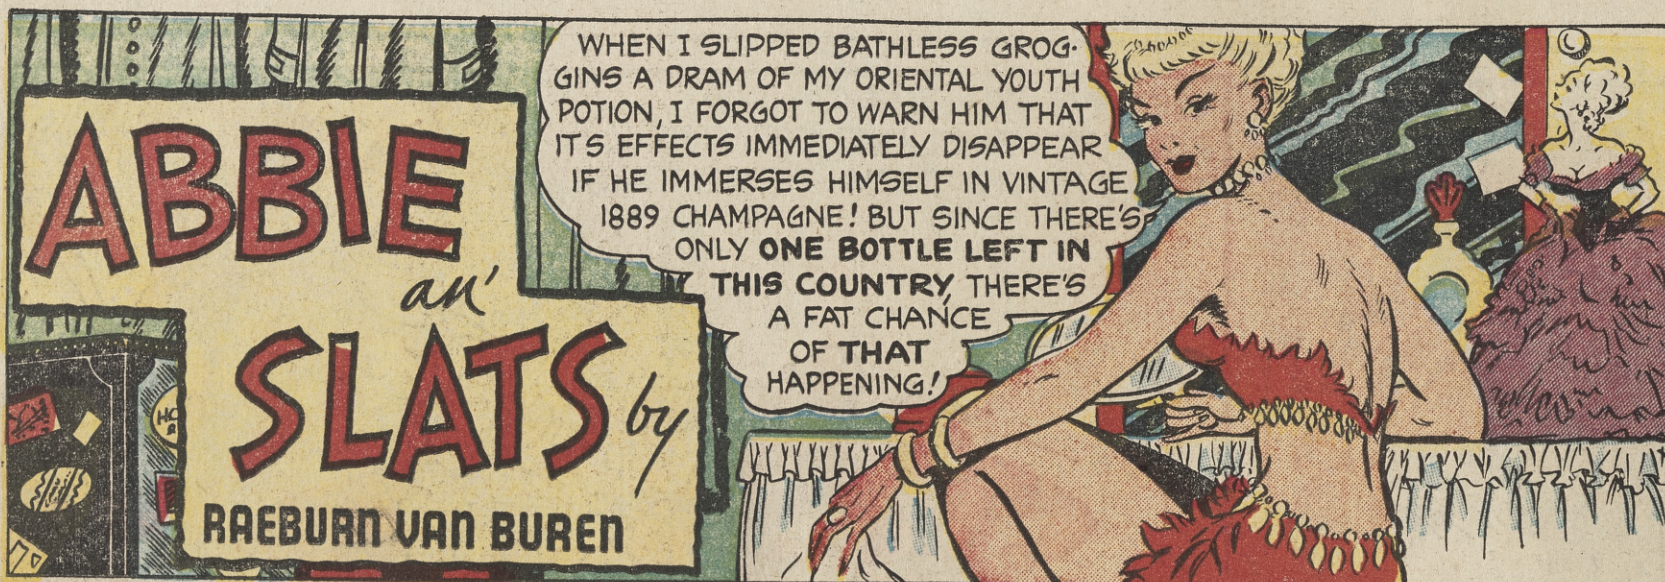

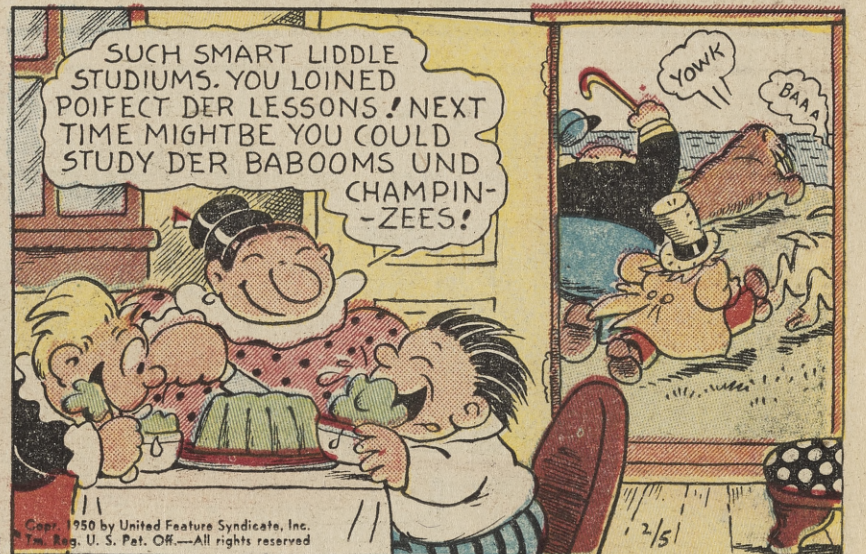

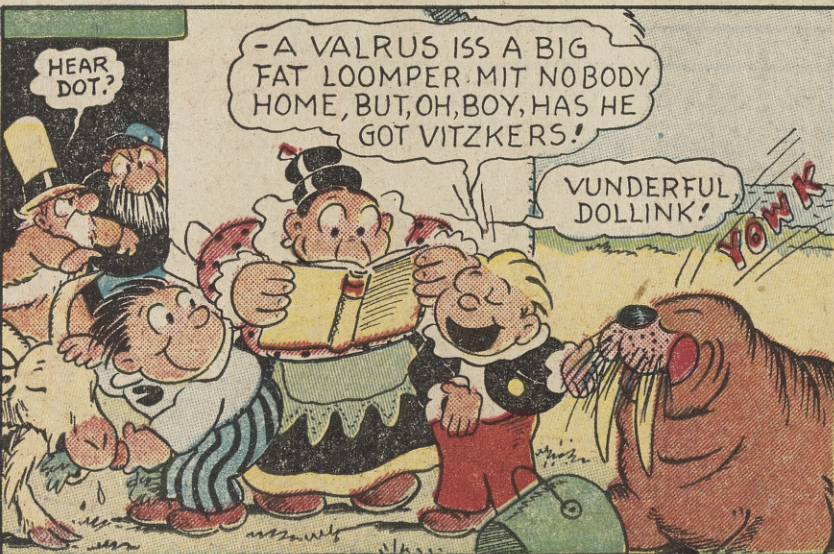

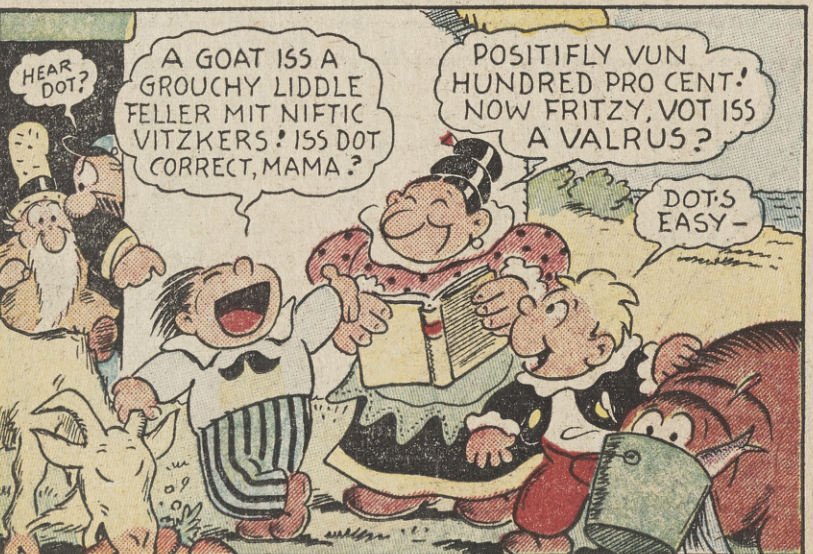

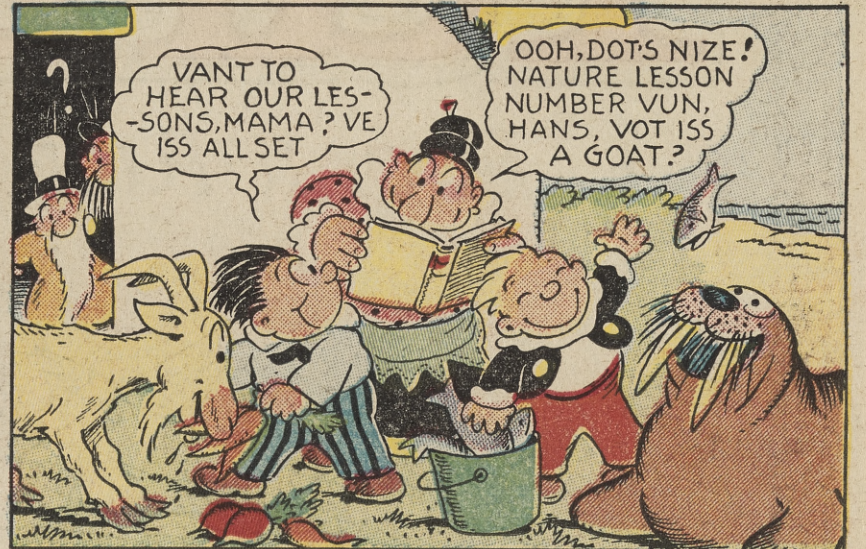

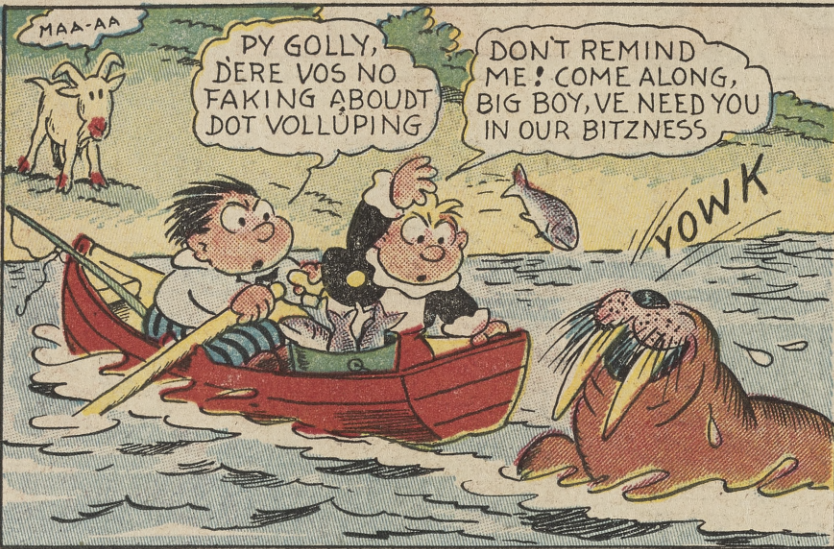

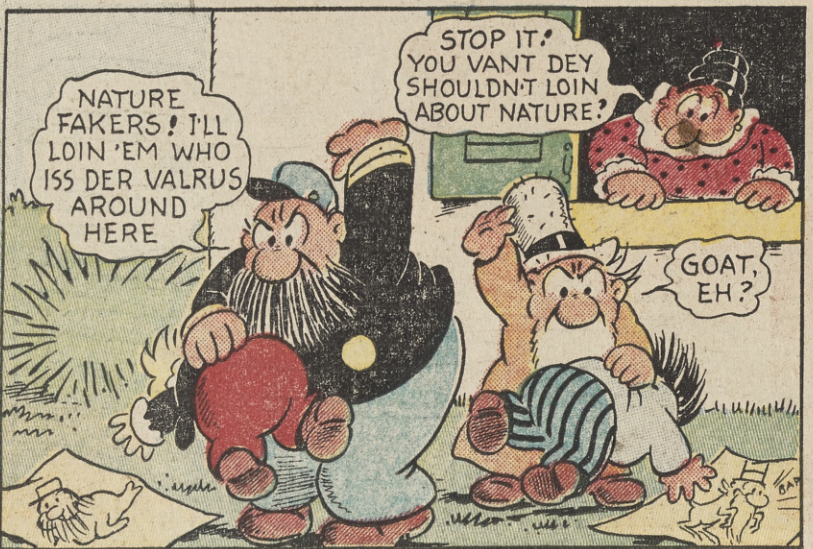

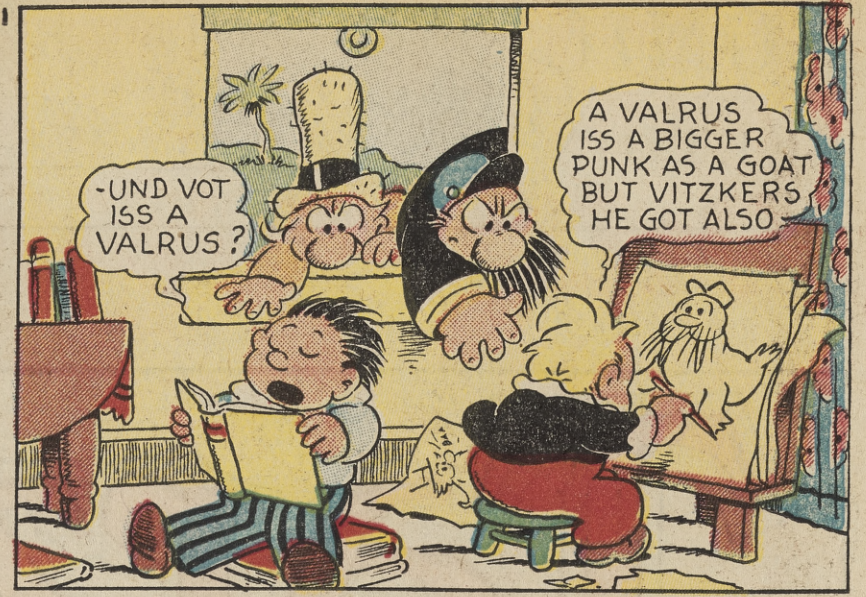

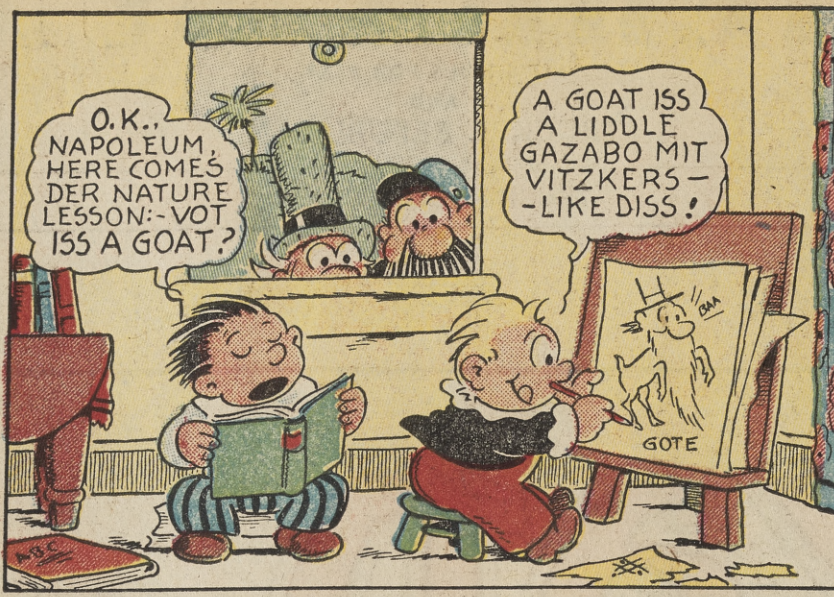

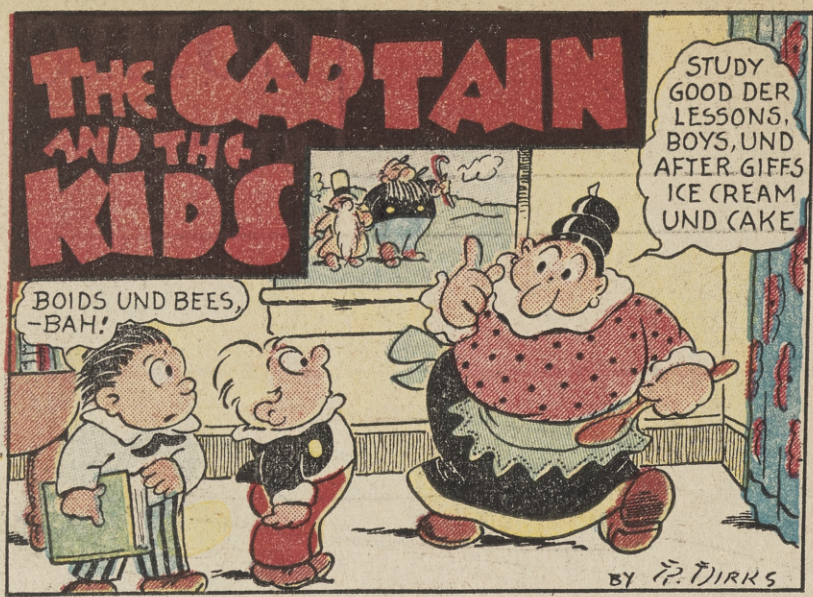

"CHAKA'S IN THIS, TOO," BAKER MUTTERED. "HE'LL STOP THAT APE---OR SINK WITH US!"

"LEAVE THIS TO ME," CHAKA MUTTERED. "TARZAN WILL DIE IN THE SACRED PIT OF SNAKES BEFORE THE SUN SETS!" 2/5
